

Senior Sessions...

This is the most important element of the senior portrait, since this is where the images are actually created. Choose one or several! All sessions will offer you a variety of expressions to show your personality. If you like you may request more smiles or more pleasantly serious expressions, but we feel a mix of the two is most popular and offers the best variety.

Traditional Session - \$35

The classic look, designed to stand the test of time. Simple, plain backgrounds in head and shoulders and waist up poses. A classic look, but updated look! This session is all done in one outfit. 8-10 image selections.

Creative Deluxe Session - \$65

This session includes all the traditional poses above, plus! three quarter and full length poses using a variety of backgrounds and props. You're photographed in a total of 3 outfits which can include a musical instrument, personal prop or sport pose. (don't forget your ball, helmet or poms!) You will have 16-20 image selections.

Ultimate Indoor Session - \$90

A combination of our Traditional & Creative Deluxe sessions, with the addition of a fourth outfit and even more poses! Include your brother, sister, friend or multiple sports or hobbies. A total of four outfits and 20-24 image selections.

Outdoors - \$45

Our outdoor area has been professionally 'custom landscaped' just for portraiture and is located just behind our studio! This session done in one outfit and is often added to one of our indoor sessions. You will have 8-10 outdoor previews to select from. Add pet or car (outdoor only) - \$25 additional (you MUST schedule this when you book your appointment, to allow extra time.)

Black & White - \$45

These contemporary images allow you to have one outfit in the studio, but are created with b/w film. We recommend darker, more casual, earthy clothing like Jeans and sweatshirts or other solid colored clothing. Don't worry about bringing a black and white outfit, because all colors will appear, black, white or a gray tone in between. The darker tones look best. The session will give you 8-10 selections.
